

## Property Fact Sheet

### **Overview**

Texas Station is located on 47 acres in North Las Vegas at Rancho Drive and Lake Mead Boulevard. Opened in 1995, Texas Station is the third property for Station Casinos, featuring 270,000 square feet of gaming, entertainment and hotel space.

### **Design**

Texas Station brings all the grandeur of the Lone Star state to Las Vegas -- from the oil rig in the parking lot to the cattle brand-inspired light sconces throughout the casino. There's even a full-size, cherry red, 1976 Cadillac convertible, complete with steer-horn hood ornament, perched above one of the casino's five bars and lounges. The inspiration comes from the company's founding family, the Fertittas, who are originally from Galveston, Texas.
